

Dear Parents and students,

The Food Service Department at King Philip Middle School recently purchased a new computerized POS (Point of Sale) system. This system will allow us to increase the level of service we provide.

Students will use their current student ID number as their "pin" number. This will be used on the pin pad at the register. This number will remain the same until he/she graduates. The first few days the lunch lines may be a little slower. Once students and staff familiarize themselves with the system, the lines should flow faster than ever.

Every student at King Philip Middle School has been entered into the computerized system. Students can purchase lunch using My School Bucks . We highly recommend the use of My School Bucks. Create an account at www.myschoolbucks.com . **IMPORTANT: MY SCHOOL BUCKS ACCOUNTS CREATED FOR A DIFFERENT SCHOOL DISTRICT CANNOT BE TRANSFERRED. YOU WILL NEED TO REQUEST A REFUND FROM YOUR CHILD'S PREVIOUS SCHOOL DISTRICT.** The system is flexible and students can still pay in cash. Cash Deposits must be placed in an envelope with the student's name and ID number inside the envelope. Check prepayments are also accepted. Write your child(s) ID number in the memo section on the check. The money will then be deposited in the account.

The student will simply pick up their meal at lunch time, punch in their ID number on the pin pad and the money will automatically be deducted from their account. We have set a limit of three lunches over what the student purchased to allow time for parent/guardian to make another deposit into the account.

If your child qualifies for free or reduced lunch benefits, this information is noted in the system and the meal will be processed just as it is for all other students without indication to other students.

Students will be allowed to purchase lunch, snacks, water etc. with a prepayment. If you wish your child to have limitations as to what they can purchase, we can enter that information into the system.

Money in the student's meal account at the end of the year will be carried over to the next school year.

Please contact me with any questions or concerns

Thank you
